

Visual and Multimodal Research: Postgraduate Research Student Forum

Facilitator: Sophia Diamantopoulou

Autumn Term

The Visual and Multimodal PGR Forum is a student-coordinated forum for students across the Institute of Education working with visual and multimodal theories, methods and data.

The forum will provide a supportive and critical group to discuss visual and multimodal research. Forum activities will include:

- Discussion of key concepts and ideas
- Data sharing and analysis sessions
- Exploring different approaches to data collection and analysis
- Reading and discussing key articles

The forum will meet once a month during term times and is open to all IoE Postgraduate research students.

First meeting Tuesday 10th November, 1-3 pm
Venue: Room 675 main building IoE

Second meeting Tuesday 8th December, 1-3 pm
Venue: Large Seminar room, London Knowledge Lab
23-29 Emerald Street, WC1N 3QS [directions](#)

Please email Sophia S.Diamantopoulou@ioe.ac.uk if you would like to join the forum or just come along to a meeting.

The forum is linked to the IOE Centre for Multimodal Research (CMR)
For more information on CMR go to: <http://www.ioe.ac.uk/research/163.html>
