

PUBLICATIONS October 2010

A. Articles in peer reviewed journals (2000-)

- 1 Flouri, E. & Malmberg, L.E. (forthcoming). Gender differences in the effects of childhood psychopathology and maternal distress on mental health in adult life. *Social Psychiatry and Psychiatric Epidemiology*
- 2 Flouri, E., Hickey, J., Mavroveli, S. & Hurry, J. (forthcoming). Adversity, emotional arousal, and problem behaviour in adolescence: The role of non-verbal cognitive ability as a resilience promoting factor. *Child & Adolescent Mental Health*
- 3 Flouri, E. & Panourgia, C. (forthcoming). Gender differences in the pathway from adverse life events to adolescent emotional and behavioural problems via negative cognitive errors. *British Journal of Developmental Psychology*
- 4 Flouri, E. & Kallis, C. (forthcoming). Adverse life events and mental health in middle adolescence. *Journal of Adolescence*
- 5 Flouri, & Malmberg, L.E. (forthcoming). Child behavior and paternal transition to non-residence. *Infant Behavior and Development*
- 6 Flouri E. & Tzavidis, N. (forthcoming). Non-verbal reasoning ability and academic achievement as moderators of the relation between adverse life events and emotional and behavioural problems in early adolescence: The importance of moderator and outcome specificity. *Child Psychiatry and Human Development*
- 7 Flouri, E., Buchanan, A., Tan, J.P., Griggs, J., & Attar-Schwartz, S. (2010). Adverse life events, area socio-economic disadvantage, and adolescent psychopathology: The role of closeness to grandparents in moderating the effect of contextual stress. *Stress*, 13, 402-12
- 8 Tan, J.P., Buchanan, A., Flouri, E., Griggs, J., & Attar-Schwartz, S. (2010). Filling the parenting gap? Grandparent involvement with UK adolescents. *Journal of Family Issues*, 31, 992-1015
- 9 Flouri, E., Tzavidis, N., & Kallis, C. (2010). Adverse life events, area socioeconomic disadvantage, and psychopathology and resilience in young children: The importance of risk factors' accumulation and protective factors' specificity. *European Child & Adolescent Psychiatry*, 19, 535-546
- 10 Flouri, E., Mavroveli, S., & Tzavidis, N. (2010). Modeling risks: Effects of area deprivation, family socio-economic disadvantage, and adverse life events on young children's psychopathology. *Social Psychiatry and Psychiatric Epidemiology*, 45, 611-619
- 11 Griggs, J., Tan, J.P., Buchanan, A., Attar-Schwartz, S., & Flouri, E. (2010). 'They've always been there for me': Grandparental involvement and child well-being. *Children & Society*, 24, 200-214
- 12 Flouri, E. (2010). Fathers' behaviors and children's psychopathology. *Clinical Psychology Review*, 30, 363-369
- 13 Walton, A. & Flouri, E. (2010). Contextual risk, maternal parenting, and adolescent externalizing behavior problems: The role of emotion regulation. *Child: Care, Health & Development* 36, 2, 275-284
- 14 Flouri, E., Tzavidis, N., & Kallis, C. (2010). Area and family effects on the psychopathology of the Millennium Cohort Study children and their older siblings. *Journal of Child Psychology and*

Psychiatry, 51, 152-161

- 15 Flouri, E. (2009). Strong families, tidy houses, and children's values in adult life: Are 'chaotic', 'crowded' and 'unstable' homes really so bad? *International Journal of Behavioral Development*, 33, 496-503
- 16 McEwen, C. & Flouri, E. (2009). Fathers' parenting, adverse life events, and adolescents' emotional and eating disorder symptoms: The role of emotion regulation. *European Child & Adolescent Psychiatry*, 18, 206-216
- 17 Attar-Schwartz, S., Tan, J.P., Buchanan, A., Flouri, E. & Griggs, J. (2009). Grandparenting and adolescent adjustment in two-parent biological, lone-parent, and step-families *Journal of Family Psychology*, 23, 67-75
- 18 Flouri, E. & Tzavidis, N. (2008). Psychopathology and prosocial behavior in adolescents from socio-economically disadvantaged families: The role of proximal and distal adverse life events. *European Child & Adolescent Psychiatry*, 17, 498-506
- 19 Flouri, E. (2008). Contextual risk and child psychopathology. *Child Abuse & Neglect*, 32, 913-917
- 20 Flouri, E. (2008). Temperament influences on parenting and child psychopathology: Socio-economic disadvantage as moderator. *Child Psychiatry and Human Development*, 39, 369-379
- 21 Flouri, E. & Hawkes, D. (2008). Ambitious mothers, successful daughters: The relationship between mothers' educational aspirations for their children early in life and earnings attainment and self-efficacy in adult life. *British Journal of Educational Psychology*, 78, 411-433
- 22 Flouri, E. & Ereky-Stevens, K. (2008). Urban neighbourhood quality and school leaving age: Gender differences and some hypotheses. *Oxford Review of Education*, 34, 203-216
- 23 Flouri, E. (2008). Fathering and adolescents' adjustment: The role of father's involvement, residence and biology status. *Child: Care, Health & Development*, 34, 152-161
- 24 Flouri, E. & Kallis, C. (2007). Adverse life events and psychopathology and prosocial behavior in late adolescence: Testing the timing, specificity, accumulation, gradient, and moderation of contextual risk. *Journal of the American Academy of Child & Adolescent Psychiatry*, 46, 1651-1659
- 25 Flouri, E. (2007). Early family environments may moderate prediction of low educational attainment in adulthood: The cases of childhood hyperactivity and authoritarian parenting. *Educational Psychology*, 27, 737-751
- 26 Flouri, E. & Fitsakis, Y. (2007). Minority matters: *12 Angry Men* as a case study of a successful negotiation against the odds. *The Negotiation Journal*, 23, 449-462
- 27 Flouri, E. (2007). The relationship between parenting and materialism in British mothers and fathers of secondary school age children. *Journal of Socio-Economics*, 36, 167-176
- 28 Loughry, M., Ager, A., Flouri, E. Khamis, V., Afana, A.H. & Quota, S. (2006). The impact of structured activities among Palestinian children in a time of conflict. *Journal of Child Psychology and Psychiatry*, 47, 1211-1218
- 29 Flouri, E. (2006). Nonresident fathers' relationships with their secondary school age children: Determinants and children's mental health outcomes. *Journal of Adolescence*, 29, 525-538

- 30 Flouri, E. (2006). Parental interest in children's education, children's self-esteem and locus of control, and later educational attainment: Twenty-six year follow-up of the 1970 British birth cohort. *British Journal of Educational Psychology*, 76, 41-55
- 31 Flouri, E. (2005). Psychological and sociological aspects of parenting and their relation to suicidal behavior. *Archives of Suicide Research*, 9, 373-383
- 32 Flouri, E. (2005). Adult materialism/postmaterialism and later mental health: The role of self-efficacy. *Social Indicators Research*, 73, 1-18
- 33 Flouri, E. (2005). Women's psychological distress in midadulthood: The role of childhood parenting experiences. *European Psychologist*, 10, 116-123
- 34 Flouri, E. (2005). Post-traumatic stress disorder (PTSD): What we have learned and what we still have not found out. *Journal of Interpersonal Violence*, 20, 373-379
- 35 Flouri, E. (2005). Father's involvement and psychological adjustment in Indian and white British secondary school age children. *Child and Adolescent Mental Health*, 10, 32-39
- 36 Flouri, E. (2004). Subjective well-being in midlife: The role of involvement of and closeness to parents in childhood. *Journal of Happiness Studies*, 5, 335-358
- 37 Flouri, E. (2004). Exploring the relationship between mothers' and fathers' parenting practices and children's materialist values. *Journal of Economic Psychology*, 25, 743-752
- 38 Flouri, E. (2004). Mothers' nonauthoritarian child-rearing attitudes in early childhood and children's adult values. *European Psychologist*, 9, 154-162
- 39 Flouri, E. (2004). The role of maternal authoritarian child-rearing attitudes in early childhood in mental health at age 30: Findings from the 1970 British birth cohort. *Acta Psychiatrica Scandinavica*, 110(s421), 35

- 80 Flouri, E. (2000). Materialism in adolescents. In 'Inquiries into the nature and causes of behaviour', Proceedings of the XXIV Annual Colloquium of the International Association for Research in Economic Psychology. Turin, Italy, 800-810 (received the best student paper award)

C. Professional journals

- 81 Flouri, E. (2010). Fathers' behaviours and children's problems. *The Psychologist*, 23, 802-805
- 82 Flouri, E. (2006). Parental aspirations and educational outcomes in socio-economically disadvantaged children: Some points of note. *The Psychologist*, 19, 664-666
- 83 Flouri, E. & Buchanan, A. (2001). Father time. *Community Care*, 4-10 October, p. 42

D. Under review/in preparation (peer reviewed journals)

- 84 Flouri, E. & Panourgia, C. (in preparation). The role of non-verbal cognitive ability in the effect of life stress on dysfunctional attitudes and hopelessness in adolescence.
- 85 Flouri, E., Mavroveli, S., Tzavidis, N. (under review). Cognitive ability, area deprivation, and young children's emotional and behavioral problems.
- 86 Flouri, E. & Malmberg, L.E. (under review). Father involvement, family adversity, and preschoolers' behavior in intact two parent families.
- 87 Hurry, J., Flouri, E., & Sylva, K. (under review). Literacy difficulties and emotional and behavioural disorders: Causes and consequences.
- 88 Flouri, E., & Mavroveli, S. (under review). Coping and emotion regulation effects on the longitudinal association between life stress and emotional and behavioral problems in adolescence.
- 89 Malmberg, L.E. & Flouri, E. (in resubmission). The comparison and interdependence of maternal and paternal influences on child mental health and resilience.
- 90 Flouri, E. & Panourgia, C. (in resubmission). Adverse life events and emotional and behavioural problems in adolescence: The role of non-verbal cognitive ability and cognitive distortions.
- 91 Ager, A., Akesson, B., Stark, L., Okot, B., McCollister, F., Flouri, E., & Boothby, N. (in resubmission). The impact of the school-based Psychosocial Structured Activities (PSSA) program on conflict-affected children in Northern Uganda.
- 92 Flouri, E. & Malmberg, L.E. (under review). Nonresident father involvement and child behavior in

continuously intact single-mother families.

**E. Selected post-2003 invited international conference papers/papers in conference proceedings
(Earlier international conference papers or talks in the UK are available on request)**

- 93 'Early family environments may moderate prediction of low educational attainment in adulthood: The cases of childhood hyperactivity and authoritarian parenting'. 19th Biennial Meeting of the International Society for the Study of Behavioural Development (ISSBD). Melbourne, Australia, July 2006
- 94 'Psychological distress in British women with secondary school aged children: The role of the early family environment'. 9th European Congress in Psychology. Granada, Spain, July 2005
- 95 'Long-term links between mothers' non-authoritarian child-rearing attitudes in childhood and children's values in adult life'. 22nd Nordic Congress on Psychology, Copenhagen, Denmark, August 2004
- 96 'The role of maternal authoritarian child-rearing attitudes in early childhood in mental health at age 30'. 12th Symposium, organised by the Epidemiology and Social Psychiatry Section of the Association of European Psychiatrists (AEP). Mannheim, Germany, June 2004
- 97 'The role of parenting in childhood in subjective well-being in midlife'. European Society for Child and Adolescent Psychiatry. Paris, France, September 2003
- 98 'Familial and parenting correlates of children's materialism'. International Association for Research in Economic Psychology. Christchurch, New Zealand, September 2003
- 99 'The role of early fathers' and mothers' involvement in children's later mental health outcomes'. Positive Psychology Summer Institute. Delaware, US, August 2003
- 100 'Materialism/postmaterialism, self-efficacy and mental health'. The 5th Conference of the International Society for Quality-of-Life Studies. Frankfurt, Germany, July 2003
- 101 'Determinants of fathers' involvement with their secondary school age children in intact families'. The 8th European Congress of Psychology, Vienna, Austria, July 2003
- 102 'Parenting in childhood and offspring materialism/postmaterialism in midadulthood'. The 9th Panhellenic Conference of Psychological Research. Rhodes, Greece, May 2003

F. Selected invited UK talks/seminars (2005-)

- 103 Talk (May 2010): Department of Education, University of Oxford
- 104 Talk (June 2009): Department of Psychology, UCL, University of London
- 105 Gordon Square Seminar (October 2009): University of London
- 106 Keynote address (December 2008): Republic of Ireland Ministry of Education National Educational Psychology Service annual conference. Galway, Ireland
- 107 Talk (December 2006): School of Psychology, University of Exeter
- 108 Talk (December 2006): School of Psychology, University of Exeter
- 109 Seminar (December 2006): Institute for Social & Economic Research, University of Essex

- 110 Seminar (May 2006): Department of Educational Studies, University of Oxford
- 111 Seminar (November 2005): Department of Social Policy and Social Work, University of Oxford
- 112 Seminar (August 2005): Thomas Coram, University of London
- 113 Press Conference, Seven Deadly Sins (June 2005): Centre for Economic Policy Research, London

EXTERNAL EXAMINING (2009-)

- University of Warwick (2009)
- University of Lincoln (2009)
- University of Leicester (2010)

EXTERNALLY FUNDED RESEARCH PROJECTS (Major Research Grants since 2000)

- ESRC (with L.E. Malmberg): 'Children's adjustment and fathers' residence, parenting and traits' (1/4/08-31/10/09; GBP 64K; RES-000-22-2558; PI
- British Academy (with N.Tzavidis): 'Early contextual risk and children's emotional and behavioural problems at age 3' (6/07-2/09); PI
- ESRC (with A. Buchanan): 'Grandparenting and child well-being' (3/07-3/08); Co-PI
- ESRC: 'Parenting and children's well-being' (fellowship grant) (10/02-9/05); PI
- Joseph Rowntree Foundation (with J. Lewis & A. Buchanan): 'Fathers' involvement with their secondary school aged children' (7/01-2/02)
- ESRC (with A. Buchanan): 'Father involvement and outcomes in adolescence and adulthood' (11/00-10/01)
- BSKyB (with A. Buchanan & V. Bream): 'Reach for the Sky' (1/00-10/00)

CONSULTANCY (2004-)

- The Children's Society: 'Fathers' behaviours and children's outcomes in the British Household Panel Survey 2007/8' (5/10-6/10)
- Imperial College London: 'Research methods & statistics – MSc Quality Safety in Healthcare & MSc Surgical Technology' (11/09)
- ESRC: 'The 7 Deadly Sins: Anger'. For UK Social Science Week 2005 (4/05-6/05)
- Bill & Melinda Gates Foundation: 'The impact of structured activities among Palestinian children in a time of conflict' (9/04-12/04)
- Family and Parenting Institute: 'Aspirations and expectations' (9/04-12/04)

OTHER

Professional Organisations

British Psychological Society; Hellenic Psychological Society; Society for Research in Child Development; International Society for Quality-of-Life Studies; Australian Centre on Quality of Life; International

Association for Research in Economic Psychology; Society for Longitudinal and Life Course Studies
(Foundation Member)

International Research Collaborations

- Columbia University, Mailman School of Public Health (2007-); three research projects on (a) gender based violence in Liberia (Montserrado and Nimba Counties), (b) gender based violence in four camps for internally displaced persons in Lira District, Northern Uganda, and (c) the evaluation of an intervention (structured activities), delivered as part of the school curriculum in schools across Gulu District, Uganda, on children's well-being
- Harvard University, School of Public Health (2009-); an ongoing longitudinal study of former child soldiers in Sierra Leone

Professional Service

- Grants Assessment Panel, ESRC (2010-)
- Research Assessment and Evaluation Panel (Heraclitus II), Ministry of Education, Lifelong Learning and Religious Affairs, Greece (2010-)
- Advisory Group, Fatherhood Institute's Egalitarian Parenting Index (2010-)
- Scientific Advisory Group, the family and parenting group and the child health and development group- the Millennium Cohort Study (www.cls.ioe.ac.uk) (2002-)
- Editorial Board, International Journal of Behavioral Development (2007-)
- Advisory Board, '*The Costs and Benefits of Active Fatherhood*' paper to inform the DfES/HM Treasury Joint Policy Review on Children and Young People (2006-2007)
- Editorial Board, Journal of Family and Economic Issues (2001-2005)

University Service

Equal Opportunities/Disabilities Coordinator, School of Psychology and Human Development, Institute of Education (2005-2007)

Review Service

Journals

Reviewer for Journal of Child Psychology and Psychiatry; Child and Adolescent Mental Health; Journal of Abnormal Child Psychology; Journal of Family and Economic Issues; Trauma, Violence, and Abuse: A Review Journal; Journal of Research on Adolescence; Journal of Economic Psychology; Journal of Adolescence; Journal of Interpersonal Violence; Journal of Socio-Economics; Journal of the Japanese and International Economies, Journal of Social Policy; British Journal of Educational Psychology; Infant and Child Development; Perceptual and Motor Skills; Social Science & Medicine; Journal of Public Health; American Journal of Sociology;

International Journal of Behavioral Development; Personality and Individual Differences;
Psychological Reports; Stress; Social Development; Child: Care, Health & Development

Granting Agencies

Reviewer for national research councils (e.g. the ESRC, the MRC); the National Science Foundation (USA); the Austrian Science Fund (FWF)); the Health Research Council of New Zealand; South Africa's National Research Foundation; Qatar's National Research Fund; the Netherlands Organization for Scientific Research; charitable organisations (the King's Fund; Wellcome); publishers (Wiley-Blackwell, Routledge/Psychology Press)
